Parade Rules and Regulations

This section is only relevant to parade units with animals

I agree, My parade unit will have a dedicated participant to follow our parade unit with a wheelbarrow and shovel to clean up all animal excrement.

I agree, My parade unit may be subject to forfeitures for failure to clean up animal excrement on the parade route or staging area.

Should my parade unit choose to paint hooves prior to the parade, I agree to protect the ground on which we are spraying. If my unit leaves paint marks on the blacktop and/or grass, we may be subject to forfeitures.

I agree the content of my parade unit will be family friendly and not contain any graphic content.

I agree that my registration in the parade can be denied by parade committee if the content of my unit is deemed unacceptable. No refunds will be given for any reason.

I, on behalf of all participants with my unit, agree not to throw any items from moving vehicles or floats. Should my unit decide to pass items out, all items will be handed to spectators.

I, on behalf of all participants with my unit, understand that consumption of alcoholic beverages is strictly prohibited in the staging area or while traveling along parade route. All entrants must obey all local and state laws to participate in the parade!

ENTRANTS MUST MAINTAIN FORWARD MOTION. Performing is permitted during long pauses. There is no stopping unless a parade official or law enforcement officer direct you.

Please sign below stating that you agree with all rules and regulations outlined above.

My unit will have music.

All music played on the parade route and in the staging area needs to be family friendly. If a parade official or law enforcement officer deems your music inappropriate, you will receive a first warning. A second warning will result in your parade unit not being allowed to play music. A third warning will result in your parade unit being removed from the parade with no refund on your registration.

Is there anything else you want the parade committee to know?
