PART 1 - How has this individual advanced the mission of Leadership Lake County in the most recent five years? - "Leadership Lake County develops and engages present and future leaders to become committed to social, economic and civic excellence in our community."

The following core values serve as the foundation and framework for Leadership Lake County's strategic plan and the organization's daily operations:

We believe that - at our core - we are about **relationship building**.

We believe that we are strongest when we are **inclusive**.

We expect **high ethical conduct and mutual respect** in all our personal and professional behaviors.

We value **responsiveness** to those whom we serve and who serve with us.

We embrace opportunities to **collaborate** with others to strengthen our community.

PART 2 - Provide specific details of how this individual's leadership style demonstrates the five core values of Leadership Lake County.

PART 3 - Leadership Accomplishments -

The nominee should be making an impact outside of the scope of her/his professional position.
List the organizations with which the nominee is involved in - limited to the most recent five years.
Do/did they hold an office within any of the organizations?
Length of time they have been involved in the organizations.
Identify specific accomplishments.
