### Info:

Sessions are created on location (up to thirty miles away) and/or in our home studio for a cost of \$75 + tax. They last from 1 to 2 hours long depending on the option chosen, and include multiple outfit changes. Feel free to bring props that show your interests such as sports, music, really anything that "makes it your own!" Pets are welcome too!

**Location, Location...** Having done hundreds of weddings, we can recommend some of our favorites such as local parks, cityscapes, bridges, old barns, lakes, rivers, etc... We are always willing to venture out to new places as well!

**Then What...** Approximately 2 weeks after the session, you will receive a password to view your images through our online pre-view gallery. The gallery lets you compare images, magnify/zoom, and orders can be placed directly through our online store.

**Next Step...** Choose one of our options, and call/email us to schedule a session!
