

***DRESS CODE-**

The school has a preferred dress code for senior yearbook photos. The dress code is recommended from the school- not Ed Clark Photography. Any questions about preferred dress code for photos needs to be given to the school.

Boys: It is recommended to wear a dress shirt with a tie for the yearbook session. (Dress-coat preferred)

Girls: It is recommended to wear the drape (which is provided) for the yearbook session. Please wear or bring a tank top (you must be able to pull the straps down over your shoulders), tube top, or camisole to wear under the drape.
